## Color Change to Centor Hardware Tires

Eclipse Architectural wishes to advise the color of our hardware tires on all of E2, E3 and E4 systems will be changing from white to grey. The new grey color will standardize our folding hardware range, providing uniformity and a more visually appealing hardware product.

We wish to assure customers this change does not affect the dimensions, fit or structural integrity of our hardware.

For more information please contact us toll-free at 1-888-520-9009.

Best regards,

**Chris Kamensek**  
President
